DIVISION MEMORANDUM
No. 274, s. 2026

2026 NUTRITION MONTH CELEBRATION

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Public School District Supervisors
Public Elementary and Secondary School Heads
SDO Personnel
All Others Concerned

1. Pursuant to **DepEd Memorandum No. 045, s. 2026** titled **"2026 Nutrition Month Celebration,"** this Office expresses its full support to the advocacy and commitment of the Department of Education to address hunger and malnutrition among learners through school-based and community-driven initiatives.
2. In this regard, all schools are encouraged to support and actively participate by implementing localized, innovative classroom-based discussions and learning activities for the month of July, aligned with the activities and strategies outlined in DepEd Order No. 045, s. 2026 and to the 2026 Nutrition Month subtheme, **"Nutrisyon at Kalikasan, Ating Pangalagaan!"** emphasizing the strong connection between nutrition and environment.
3. All School Heads shall ensure that no learning area is omitted and that the prescribed instructional time and learning competencies are adequately covered, in a manner consistent with the existing DepEd policies.
4. Schools may also conceptualize other relevant activities for learners and families by utilizing online and other social media platforms and shall upload Activity Completion Report (ACR) to their respective One Drive School Links, while the summary of reports to be encoded to One Drive OKD District Links.
5. Materials related to the celebration may be accessed through this link <https://nnc.gov.ph/2026-national-nutrition-month-celebration/>
6. **DepEd Memorandum No. 045, s. 2026** titled **"2026 Nutrition Month Celebration"** is contained as enclosure for reference and guidance.
7. Immediate dissemination of and strict compliance with this Memorandum is desired.

DepEd MEMORANDUM

No. **045**, s. 2026

2026 NUTRITION MONTH CELEBRATION

To: Undersecretaries
Assistant Secretaries
Minister, Basic, Higher, and Technical Education, BARMM
Bureau and Service Directors
Regional Directors
Schools Division Superintendents
Public and Private Elementary and Secondary School Heads
Attached Agencies
All Others Concerned

1. In support of the government's commitment to address hunger and malnutrition, the Department of Education (DepEd) calls on all learners, teaching and nonteaching personnel, school officials, parents, and stakeholders to actively participate in the **2026 Nutrition Month Celebration** this July. This is pursuant to Section 7 of Presidential Decree No. 491, otherwise known as the Nutrition Act of the Philippines, which mandates the observance of Nutrition Month every July to create greater awareness on the importance of good nutrition. Further, pursuant to DepEd Order (DO) No. 009, s. 2026, titled Guidelines on the Implementation of the Three-Term School Calendar in Basic Education, Nutrition Month is recognized as one of the legislative activities and celebrations to be observed in schools.

2. The annual celebration is led by the National Nutrition Council (NNC) of the Department of Health, the country's highest policymaking and coordinating body on nutrition. In coordination with national and local stakeholders, the celebration mobilizes multisectoral efforts to address malnutrition, promote food and nutrition security, and build healthier communities. Since 2024, the Nutrition Month campaign has been guided by the overarching theme, **Sa PPAN: Sama-sama sa Nutrisyong Sapat Para sa Lahat!** with selected subthemes under this broader call to highlight the key pillars of the Philippine Plan of Action for Nutrition (PPAN) 2023-2028.

3. The 2026 Nutrition Month subtheme, **Nutrisyon at Kalikasan, Atang Pangalagaan!** emphasizes the strong connection between nutrition and environmental protection, with a focus on climate action. It recognizes that the health of people and the health of the planet are inseparable. Protecting forests, oceans, agricultural lands, and water resources helps secure sustainable food systems and ensures that present and future generations have access to nutritious diets. Climate change adversely affects food production, food supply chains, and the availability of nutritious foods due to rising temperatures, changing rainfall patterns, droughts, floods, and typhoons. These disruptions can increase the risk of hunger and malnutrition, particularly among vulnerable populations such as children and low-income families. At the same time, food systems contribute significantly to greenhouse gas emissions, underscoring the need for sustainable and climate-resilient approaches to food production and consumption.

4. The campaign aims to

- a. raise awareness on the importance of nutrition in reducing all forms of malnutrition and hunger;
- b. promote understanding of the link between nutrition, food systems, and environmental conservation and sustainability;
- c. reinforce healthy diets and food security as pillars of the PPAN 2023–2028 and the Philippine Development Plan 2023–2028;
- d. encourage sustainable food practices, reduction of food waste, and support for local and seasonal foods;
- e. promote inclusive, sustainable, and climate-resilient food systems; and
- f. mobilize support among government agencies, local government units, nongovernmental organizations, civil society, the private sector, and communities.

5. The celebration shall align with the Department's ongoing efforts to promote learner health, food and nutrition security, climate awareness, and sustainable school environments. Activities to be undertaken are expected to reflect a whole-of-school and whole-of-community approach, advancing nutrition and well-being as essential components of learner development.

6. All DepEd offices and schools are highly encouraged to actively participate in this nationwide celebration by implementing localized, innovative classroom-based discussions and learning activities from July 1–31, 2026, aligned with the objectives and strategies outlined above. Schools are likewise encouraged to maximize online and media platforms, including but not limited to the following:

- a. Conducting classroom discussions during Homeroom, Science, Health, Technology and Livelihood Education, Araling Panlipunan, and related learning areas on the following topics:
 - i. importance of proper nutrition, healthy diets, and food security;
 - ii. relationship between nutrition, environmental conservation, climate change, and sustainable foods; and
 - iii. benefits of consuming local, seasonal, and climate-resilient foods.
- b. Organizing teacher-led discussions and learner presentations on the *Gulayan sa Paaralan* Program and the role of school and home gardening in promoting nutrition and sustainable living practices among learners and the community;
- c. Holding classroom-based poster interpretation, slogan analysis, essay discussions, and digital presentation activities focused on nutrition and environmental stewardship;
- d. Facilitating small-group discussions, debates, and case studies on climate-smart agriculture, food sustainability, and community nutrition initiatives;
- e. Conducting classroom quiz activities and learning games focusing on nutrition, food systems, environmental protection, and sustainable living practices;

- f. Encouraging learners to share personal and family practices that promote healthy eating habits and environmental responsibility through reflection and discussion sessions; and
 - g. Integrating Nutrition Month themes into project-based learning, research discussions, and collaborative classroom activities that promote learner participation and critical thinking.
7. The conduct of Nutrition Month activities shall not hamper instructional time and must comply with DO 009, s. 2026.
8. Materials related to the celebration may be accessed through the official website of the NNC at www.nnc.gov.ph. Additional resources are accessible at <https://tinyurl.com/2026NutritionMonthCollaterals>.
9. Regional offices are requested to submit relevant documents and highlights of their region-wide Nutrition Month celebrations via <https://tinyurl.com/2026NutritionMonthReports> on or before **September 5, 2026**.
10. Private basic education institutions are encouraged to undertake, organize, and/or participate in the observance of the 2026 Nutrition Month Celebration.
11. For more information, please contact the **Bureau of Learner Support Services-School Health Division**, 3rd Floor, Mabini Building, Department of Education Central Office, DepEd Complex, Meralco Avenue, Pasig City, through email at blss.shd@deped.gov.ph or sbfp@deped.gov.ph.
12. Immediate dissemination of this Memorandum is desired.
